THANK YOU FOR YOUR INTEREST IN POLLINATION FLOWERS FOR YOUR UPCOMING WEDDING!

PHASE I - DESIGN

I love nothing more than getting to know my brides, so I like to start off every new client relationship with a personal face to face meeting. We can customize your wedding during our initial consultation. Consultations can last anywhere from 1-2 hours depending on the amount of florals and decor needed to discuss.

Share with me what inspires you! What are some of your favorite arrangements & color combinations? What do you envision when you think of your wedding flowers? These are all questions that we will get answered during this first consultation. Prior to our consultation, please have the following already in mind:

DATE, TIME & LOCATION OF EVENT

COLOR SCHEME

NUMBER OF ATTENDANTS IN WEDDING PARTY

NUMBER OF GUESTS

RECEPTION SET-UP

PHOTOS/INSPIRATIONAL EXAMPLES
